New Technologies for Schools

CC Communications is a specialist Education IT supplier with longstanding customer relationships with Local Authorities, CLC's, High Schools and Primary Schools. We pride ourselves on outstanding quality of service & support and as a result many of our customers have been with us for over 10 years.

Our unique combination of skills, resources and experience enables us to provide a full range of ICT services including single laptop purchases, network solution, AV solutions, Radio Studios, Full ISP content management systems, on line backup service, support contracts and refurbished cost effective hardware. We understand school budget constraints and as a result will work with you to get best value out of your IT budget.

All our team hold full CRB disclosures.

Sounds too good to be true ?

At CC we offer you 3 proven and innovative products.

All purchases come with a free training visit.

Choose Lifesize Videoconferencing and experience communications in high definition over the Internet.

Trial a Fizzbook spin and see how robust this netbook can be.

Experience the revolution of 20,000 hours of portable or fixed projection for the cost of a lamp

We also offer many other IT solutions.

For more information on any of our products contact us or for case studies visit our website
